SPECIAL MESSAGE FROM THE BOARD

2021 – 2022 SEASON

This is the annual meeting at which voting is held for the 2022-2023 LSSC board. Nominations will be accepted from the floor. Please attend and vote for your 2022 – 2023 board!!

The 2021 - 2022 season finished with the European trip to Andorra March 4-12 (Portugal extension March 12-20). Watch for the report in a future Newsletter! Trip reports for Beaver Creek and Banff follow.

COVID-19 and its variants are still with us, and even vaccinated individuals can still contract the virus. Rooster's strongly encourages the use of masks for all unvaccinated patrons. Although there is currently no mask mandate in Kentucky, in observance of CDC guidelines and for the protection of our members and visitors, the board requests that everyone wear masks while inside (and not actually eating or drinking) and outside while in close proximity to others not in your household. Complimentary masks will be available at the sign-in table.

**** IF YOU DO NOT FEEL GOOD, HAVE BEEN RUNNING A TEMPERATURE, HAVE RECENTLY BEEN EXPOSED TO THE VIRUS, OR HAVE AN ACTIVE CASE OF COVID-19, YOU SHOULD NOT ATTEND THE MEETING THIS MONTH.**

NEWS FROM THE EXECUTIVE VICE PRESIDENT

The OVSC trips for the 2022-2023 season have not been confirmed at this time. The OVSC trip chair is currently working on obtaining vendor proposals for selected destinations. As soon as they are available, trip details will be posted.

Other Western trips as well as an International trip have not been determined at this time. If you have a specific destination you would like to have the club visit next year, please forward your suggestions to one of the board members.

VOLUNTEER OPPORTUNITY!!

HORSEY HUNDRED

SATURDAY MAY 28, 2022

For the past 2 years, the LSSC has manned a rest area for the iconic HORSEY HUNDRED bike ride sponsored by the Bluegrass Cycling Club (BCC). This ride is being held for the 44th year and attracts active sports enthusiasts. It is a great opportunity to spread the word about the ski club to potential snow sport enthusiasts!! We have spoken with local participants who ski/board or are interested in trying and do not know about the ski club! The ride draws participants from all over the United States, and even from other countries, providing a chance to meet and speak with many interesting people.

As a volunteer you receive:

- Access to all Horsey activities
- Ride access wrist band
- Ride participant giveaway
- Uniquely cool volunteer specific T-shirt

For additional information: <https://horseyhundred.com/about/>

LSSC members who have volunteered in the past have remarked on how much they enjoyed the experience and have regularly signed up to do it again.

Rest Area Location:

Bourbon County Middle School, Paris

3339 Lexington Rd

Duties: Help replenish food and drink to riders, give assistance, and help set up and tear down tent, tables etc.

BEAVER CREEK 2022

JANUARY 22 - 29

19 members of the Lexington Ski Club made their way to Denver, CO for the OVSC trip to Beaver Creek, CO (where we met / greeted other ski clubs from throughout OH). Surprisingly, travel to (and from) Denver went smoothly and we did not experience any issues. The charter bus brought us to and from our condos without any delays.

Folks within the group experienced fantastic skiing and boarding at Vail and Beaver Creek. We were greeted by excellent snow conditions and non-existent lift lines. It snowed about 5 inches on two separate days during our stay providing some great “powder” days.

The Charter Condominiums at Beaver Creek provided us with excellent accommodations (skiing to the lift from the back door) and a short walk away from Beaver Creek Village. The Blue Moose Pizzeria was an excellent spot to kick back and talk about the day.

Overall, the trip was a huge success although, unfortunately, two members did experience injuries. We wish them a speedy recovery and look forward to skiing/boarding together next year! A return to the Colorado Rocky Mountains is definitely recommended!

BANFF 2022

FEBRUARY 19-26

The Banff trip was a bit frigid but a great success. 19 members from the club travelled to Banff Alberta the week of Feb. 19th to the 26th. Skiing in Alberta was cold but we got a lot of great runs and had some good times. The vistas and scenery in the Banff National Forest are some of the best I've ever seen at a ski destination. Please check out some of the trip posts on the club site. If you have a google account check out this video from the top of the Banff town gondola that Joe Brutsman took during our visit.

The skiing was great we didn't hear that anyone went home disappointed!

BOARD NOTES

2022-2023 BOARD POSITION ELECTIONS!!

Hi all,

I am very excited to serve as club president for the 2022-2023 term. The election slate below will be voted on at the upcoming club meeting. We welcome any member to serve on the board and would love to have you. If you are interested, please let us know as soon as possible. As the new year approaches if you have ideas for activities or would like to have the club involved in something, please let me or any of the board members know. We would like to have some summer informal activities as interest warrants. In the past, we've met at West 6th brewery for Tuesday night walks or runs if you are so inclined. It's usually held beginning in June. There's a facebook page with info. If we can organize a meetup there we'll post on facebook and our meetup.

We also would like to do informal local events like hikes at Natural Bridge, Pinnacles or even local areas. Help in organizing these activities are appreciated. I hope to see as many of you as possible at the next club meeting.
