Lexington Ski & Sports Club

**Over 30 years and still
going strong...**

The Lexington Ski and Sports Club is a group of individuals who love skiing and snowboarding. Our group provides a great way to socialize with others who share the same passion for winter sports.

The Club

The Lexington Ski & Sports Club (LSSC) started in the mid-80s by a group of individuals who love snow sports, especially skiing.

We are a part of the Ohio Valley Ski Council (OVSC) which is composed of 16 ski clubs in cities that stretch from along the Ohio River in Southern Indiana and West Virginia to Eastern Kentucky and to the shores of Lake Erie in Northern Ohio. Combined, our clubs include nearly 5,000 skiers and boarders in Indiana, Kentucky, Ohio and West Virginia.

The OVSC is a member of the National Ski Council Federation. The NSCF is an educational organization providing support to 30 councils across the country. They also offer discounts and other benefits to club members.

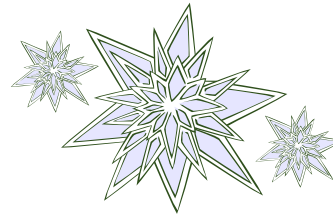

There are many benefits to membership in our club in addition to having a group of fun loving and friendly people with whom to socialize! Other benefits include access to a low-cost winter ski/snowboard vacations to local ski resorts as well as western U.S., Canada, and Europe. We also participate in the OVSC Racing Program.
