Snow Sport Specifics in Brief!!

Sölden is the largest ski resort in the Oetztal valley and its “Think big, think Sölden” slogan is applicable to both its terrain and nightlife.

This **Alpine Ski World Cup** venue ticks plenty of boxes: it has excellent snow reliability on two glaciers allowing it to stay open from October to May; an extensive network of slopes (145km) with an equally impressive lift system; more than 30 mountain huts in which to quench the thirst; a lively après-ski scene in town with an endless choice of party joints; and is located just an hour’s drive from Innsbruck.

Sölden’s **terrain** spans two glaciers (Rettenbach and Tiefenbach) and three well-connected mountains offering varied skiing for all levels. The ski area is particularly well suited to confident intermediates and advanced skiers.

Beginners will find gentle runs at Innerwald and Giggijoch while intermediates have varied blue and red pistes throughout the ski area. From the Gaislachkogel (3058m) there are more challenging ski routes as well as lots of off-piste opportunities.

Sölden (1377m) is not a particularly high town but its slopes reach an altitude of 3250 m. In fact it offers three mountain peaks above 3,000m called the **BIG3**: Gaislachkogel (3048m), Tiefenbachkogel (3250m) and Schwarze Schneide (3340m). Sölden’s peaks are so spectacular they have actually been chosen as one of the locations for the new James Bond movie *Spectre* due to be filmed this winter. Enjoy breathtaking views from the summit, or even lunch in the new **Ice Q** restaurant on the Gaislachkogel Peak (3048m), before taking one of the long runs back to town. The ski route from Schwarze Schneide at the Rettenbach Glacier down to Sölden is the region’s longest ski trail at 15km with nearly 2,000m change in altitude.

Pricing is only \$3,049 for all this! Remember that pricing is not final until ticketing due to fluctuations in currency rates and airline surcharges/taxes.

SÖLDEN, AUSTRIA

March 11 – 19, 2016

Sölden is the largest ski resort in the Oetztal valley and its “Think big, think Sölden” slogan is applicable to both its terrain and nightlife. The skiing in Sölden is split into three main areas: the Gaislachkogel area; the Giggijoch area; and the glaciers. A route publicized by the tourist office - the BIG3 Rallye - describes a way to get around all the areas in one day (the BIG3 refers to the three peaks of over 3000 meters that it is possible to visit along the way)

For apres-ski, Sölden’s main strip is filled with buzzing bars, clubs and restaurants. The vibrant party atmosphere attracts a young, lively crowd. There’s more than 80 venues to choose from. Between 3pm and 7pm the village turns into a party location with skiers gathering at the many open-air bars along the main road. Apres ski kicks-off in the mountain huts where there’s live music Friday afternoons, then back in town the party continues at a whole host of bars and nightclubs.

Pristine powder snow slopes, bizarre rock formations, snow-topped peaks, mighty glacier snouts, seclusion. This picture-book winter wonderland is truly incredible. The highest peaks seem to be so close. Only a few more steps und you reach the top: soon you will enjoy your personal first line on untouched powder or corn snow slopes. Passionate ski mountaineers – and all those who want to try it in the future – can indulge to the full in the magic high Alpine winter world of the upper Ötztal Valley. There are some of the finest "hautes routes" in the Eastern Alps. Special recommendation: the classic "Vent Loop Trail" – featuring Tirol's most attractive peaks higher than three thousand meters, including Wildspitze summit! A state of the art snowmaking system guarantees that the slope is completely prepared and groomed.

IT WAS A PERFECT DAY AT PERFECT NORTH!!!!

On January 30, 2016, The Lexington Ski and Sports Club (LSSC) and The Bluegrass Cycling Club (BCC) jointly hosted an outing to ski/snowboard/tube at Perfect North slopes! The group included snowboarders and skiers of all levels from beginners to seasoned veterans. A mild, clear day and good snow cover provided great conditions. In fact, by afternoon it was warm enough to ski in shirtsleeves!!
